Program for Overhead Photographic  
Reconnaissance of Cuba

1. The attached draft Program is submitted with the proposed memorandum for the Executive Committee of the National Security Council to give some idea of what might be the nature of a reply from the United States Intelligence Board. On receipt of the memorandum from the Executive Committee of the NSC it is proposed to table this draft Program at once for the Committee on Overhead Reconnaissance consideration and forwarding to the USIB for approval.

2. If it is planned for the USIB to consider a Program on Wednesday, 6 December, the Chairman of COMOR should be in receipt of the memorandum of instruction from the Executive Committee by noon on Monday, 4 December.
